Sir:

In response to the Notice Regarding NASA Property Rights dated April 29, 2004, submitted herewith please find an executed National Aeronautics and Space Administration (NASA) Property Rights Statement, which indicates that NASA is not believed to have any property right in the subject application.

Respectfully submitted,

MCDERMOTT WILL & EMERY LLP

**NATIONAL AERONAUTICS AND SPACE ADMINISTRATION (NASA) PROPERTY
RIGHTS STATEMENT**

Sir:

We, Neil Evan Goodzeit, Santosh Ratan and Douglas Vernon McKinnon, citizens of
U.S.A., residing at the addresses noted below, declare:

That we made and conceived the invention described and claimed in Patent Application
No. 10/763,676 filed in the United States of America on, January 22, 2004, entitled "SYSTEMS
AND METHODS FOR CORRECTING THERMAL DISTORTION POINTING ERRORS".

That we made and conceived this invention while employed by Lockheed Martin
Corporation; that the invention is related to the work we are employed to perform and was made
within the scope of our employment duties; and that the invention was made during working
hours and with the use of facilities, equipment, materials, funds, information and services of
Lockheed Martin Corporation.

Serial No.: 10/763,676

That to the best of our knowledge and belief, the invention was **not** made (conceived or first actually reduced to practice) under **nor** is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

We also declare further that all statement made herein of their own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements made with the knowledge that willful false statement and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issuing thereon.
